2. **DO NOT** write on this question paper.
3. This paper contains **SIX (6)** questions.
4. Question **ONE** is compulsory.
5. Answer any **THREE** other questions.
6. Question one carries **25 marks** and the rest **15 marks** each.
7. Write all your answers in the Examination answer booklet provided.

QUESTION ONE

Read the Case Study below carefully and answer the questions that follow:

Amara, a high school student attending a boarding school recently sat for her national examinations. Her mother had been ailing for quite some months and Amara was concerned about her as she rejoined school at the start of the final semester. On returning home she found mother had taken turn for the worse and passed away. The family had kept the news from her since they thought to protect her as she sat her final examinations. Amara now refuses to visit her mother's grave and does not interact with any of the family members. She spends her day staring at the last photo she took with her mother during the last school holiday.

Required:

- (a) Describe the stages of grieving Amara has underwent and the ones she is likely to go through (20 marks).
- (b) With examples, illustrate two forms of severe Celebrity Worship Syndrome (5 marks)

QUESTION TWO

- (a) Using the Wycliffe Oboka model, analyze application of the ecological systems theory in the study of mental health of orphaned and vulnerable children living with relatives and those in institutions as opposed to non-orphaned children living with their own families (10 marks).
- (b) Discuss how persons with disabilities are perceived by the society in Kenya (5 marks).

QUESTION THREE

- (a) Compare and contrast psychosexual and psychosocial theories of human development (10 marks).
- (b) Discuss the four phases in the study of human development (5 marks).

QUESTION FOUR

- (a) Illustrate the role of parenting styles in imparting culture to their children (10 marks).
- (b) Explain the methods used in the study of human development (5 marks).

QUESTION FIVE

- (a) By giving examples, discuss Havighurst's developmental tasks from birth through preschool period (10 marks).
- (b) Explain theories of successful aging (5 marks).

QUESTION SIX

- (a) Synthesize research findings on the social and psychological dynamics of the modern Russia and relate them to the Kenyan situation (10 marks).
- (b) Compare effects of parental styles on academic motivation among deaf high school students in Kenya (5 marks).
