REQUIRED

A group of Wildlife Tour Guide trainees from The Republic of Angola visited Tsavo East and West National Park for a four day Safari. During game drive they took pictures of different species of mammals capturing their physical features and compiled them in a power point (slides) for identification. You are required to observe the provided slides and complete the tasks below.

TASK 1:

Name the mammal species as observed in images **1, 2, 3, 4, 5, 6, 7, 8, 9, 10.**

TASK 2:

Make an oral presentation by describing **TWO** distinguishing features of each of the identified species of mammals in task one above.
